Fla. Law info valid as of June 2011

I HAVE ASPERGER'S SYNDROME / AUTISM. My answers may be incorrect and I may not understand what you want. I have limited speech / coordination & do not understand facial expressions or body language. Provide detailed instructions, calmly & slowly, with extra time to respond. I may panic, be aggressive or try to flee if scared or touched or from flashing lights / loud noises. I'm easy to mistake as drunk, high or acting suspiciously. I **invoke** all my legal rights. See reverse.
